Newrest Boilerplate

2026

Founded in 1996 and chaired by Olivier Sadran, Newrest is an independent global player in out-of-home catering and related services. Operating in more than 50 countries, the Group employs over 60,000 people and generated revenue of €3.3 billion in 2025. Newrest is active in inflight catering, buy-on-board and duty-free services, rail catering, concession catering, remote site services and Facility Management.

Backed by a strong entrepreneurial culture and majority-owned by its management team, Newrest places culinary arts at the heart of its business model. Drawing on the know-how of its chefs and teams, the Group develops tailor-made catering solutions that combine quality, creativity and operational excellence to serve its clients and consumers.

Driven by a strategy focused on growth, overall performance and talent, Newrest invests in standardisation, digitalisation, automation and artificial intelligence to strengthen operational reliability, service transparency and sustainable value creation.
